Over the last decade, Lenox Design Resources has quietly amassed a portfolio of prestigious Hotel, Resort and Spa clients. The firm was founded in 1989 by William Caligari, Jr., who received his formal training at the New York School of Design and began his career working in New York City. Lenox Design Resources is a turnkey interior design operation.

Lenox Design Resources specializes in designing award-winning interiors for leading health spas, resorts and boutique hotels. The firm is the interior design firm of record for Canyon Ranch in the Berkshires Health Spa. William Caligari, Jr., is a recognized expert in the design of interiors for delivering cutting-edge spa treatments. The firm also has extensive design experience in treating historic renovations as restorations.
